METHODOLOGY

- Source: Form 4 filings on SEC EDGAR, read by SEC Tracker as they are filed.
- Counted: transaction code P (open-market or private purchase) by an officer, director or 10% owner, traded in the quarter. Buys at the offering price within days of the company's own offering are left out, as are funds and trusts.
- Value is shares times price as the Form 4 states it. Prices and values are not checked against market data.
- Public float is the figure on the company's latest 10-K cover page; companies that state none are counted as not reported.
